Thanks for checking!

Hi Lisa,
Just wanted to close the loop on getting back to John Taylor.
Do you have any updates on that?
Thanks!

No – I will send to it OPA now and then to him when I get approval. Just wanted yours first.

Your response sounds good. Thanks for working on this even though you are on travel at another public hearing!
I guess this answer has been vetted & is ready to send to him?
Thanks!

How about this?

We are still in the process of reviewing the public comments for Dewey Burdock. However, even when that is complete, we would not necessarily have a tally of “for” and “against” (although they will be available in the public record for your own tally). We consider each comment on its own merits.

As far as a comparison to other hearings – each hearing is unique - there is no particular pattern against which we can compare the Dewey Burdock hearings.
